EJJE SOCCER ACADEMY provides deserving youth who are unable to pay to play soccer with a means to play the game by providing training and helping them to stay with their competitive clubs.

EJJE Soccer Academy creates opportunities for kids to develop their social and soccer skills as well as to provide quality coaching for the kids in the community at no cost to the kids or parents.

EJJE Academy and Colossal Hope are partnering to use art and sports to create peace and understanding across the globe. We are seeking jersey donations so that Colossal Hope can create the largest soccer jersey ever made. The jersey will be hung on one of the tallest buildings and exhibited at the upcoming FIFA 2010 World Cup in South Africa.

All you need to do is donate a clean, signed jersey; the artists do the rest! Your jersey will be sewn together with thousands of jerseys from around the world - which immediately makes you a permanent part of this historic and exciting artwork. Don't forget to watch for it on TV!
